- These are the standard, common sizes. Many other sizes and ratios (eg square), and bigger enlargements are available
- Sizes with a "•" indicate they are the same ratio as the camera format so the image will exactly fit the print. Other sizes may need to be cropped
- Photos printed on lustre silver halide photographic paper. Glossy prints also available
- To order: Simply email me with details. Include the game and the photo number(s) you'd like, the print size(s) and any other details or instructions.
- I always check your order and if necessary will send a proof showing any cropping or adjustments before printing
- Once checked I will email an invoice. When paid I will send the image to the lab for printing
- I use a professional lab for all my printing work. I use the full size images (rather than the downsized versions used on the website) which are prepared on a calibrated monitor with correct colour printing profiles assigned
- Free shipping in the Wellington Region (Wgtn, Hutt Valley, Porirua, Wairarapa): At my convenience - ie when I'm in that area. It'll usually be within a couple of weeks.
- You only pay one shipping cost (for the largest print) for any order. For example the total shipping cost for a 10x15", one 10x8" and three 6x4" prints ordered together would be \$12.75
- Print prices include GST and are correct at the time of publishing. See Terms and Conditions published on my website
